

# Buffalo State University

## Office of the Registrar

### Graduate Change of Program

Changing your program may impact your degree requirements, financial aid, and the length of time to complete your degree. This form is to be used only by currently enrolled students who are requesting a change of program. If you are changing your program prior to your first term of enrollment, you must contact Graduate Admissions to process your request at [graduateadmissions@buffalostate.edu](mailto:graduateadmissions@buffalostate.edu) or 716-878-4017.

1. Select the new program that you wish to pursue at Buffalo State. You can refer to the Active Majors Chart on our forms page under "Other Services."
2. The student's signature is required on all actions.
3. The student will forward this completed form with signature to the chair/department for approval. The chair/department will then forward the completed form with signature to the Registrar's Office ([regofc@buffalostate.edu](mailto:regofc@buffalostate.edu)) for processing.
4. Pre-Majors cannot register for MAJORS ONLY classes.
5. Programs and Certificates print on a student's transcript.
