Degree Works, the Degree audit system has been upgraded to include new features for students to view their academic progress. The adaptable format displays appropriately across different devices and is ADA compliant for accessibility.

How to login to Degree Works:

1. Go to <http://registrar.buffalostate.edu> and click on the faculty/staff link
2. Click Login

Viewing Audits:

The format dropdown allows user to select in which format the audit report should be displayed.

The screenshot shows a student dashboard with a 'Format' dropdown menu set to 'Student View'. Below the dropdown, there are two 'Degree progress' sections. The first shows 3% progress for Requirements and 10% for Credits, with an Overall GPA of 0.562. The second shows 23% for Requirements and 22% for Credits, with an Overall GPA of 3.823. A 'View historic audit' dropdown is also visible, and a 'Process' button is highlighted with a green arrow.

Degree Requirements

The Degree Requirements section lists requirements needed to complete a degree and can be found right below the Degree Progress section in both dashboards. Requirements are also called blocks in Degree Works

The audit in Responsive Dashboard is still divided by blocks same as in the classic dashboard but now users will have the ability to collapse sections for quick navigation through to what they are looking for. The rest of the degree audit is very similar on both dashboards. Blocks as Major Specific Core Curriculum, General Education Core, Major, Concentration, Minor, Teacher Certification, if applicable, are all listed in the same order as the classic dashboard
